I've been watching you for some time now I got your Family as hostage  
and I know where you live, IF you or you coworker alert the cops or anyone  
your Family and you are going to be hurt, I got my boys on the look out outside  
The First cop car they see am going start hurting everyone in sight, hand  
over all the cash, I need at least a 100K and nobody will get hurt and your  
Family will be set free, Think smartly everyone safety is depending and you and  
your coworkers action so I hope they don't try nothing stupid
